THE JOEY POUCH™

Featuring the unique **Joey Pouch™** – a soft and comfortable "hammock" to hold, protect, uplift and enhance your most valuable assets.

Made from the finest fabrics, the **Joey Pouch™** has been designed to boost ventilation and deliver the perfect fit while preventing unwanted skin contact.

NO-DRIP-TIP™

Stay dry with the 2UNDR **No-Drip-Tip™**. A unique moisture control layer which provides a soft, cool and dry feeling each and every time.

COLDSKIN™ BY GARMATEX™

GARMATEX

Keep your cool and avoid excess heat with **Coldskin™** by **Garmatex™** found in the **Gear Shift** and **Power Shift** collections. This high performance thermal reduction fabric uses crushed jade minerals woven into the fabric to promote cooling and reduce body temperature by 3-6 degrees where heat builds up.

KEEP IT FLY

Get easy access and increase air flow to your most prized possessions with the signature 2UNDR **vertical-oriented fly** for in-your-pants air conditioning.

SUPREME QUALITY

Avoid sagging and achieve heavenly comfort with the finest materials which soften with each wash. Boost performance and enhance moisture wicking. Intelligently designed seam construction and flat lock stitching prevent chaffing in potential rub-zones.

RESIST THE ROLL

Keep it up with the 2UNDR, roll resistant waistband. This premium 3cm strip uses the highest quality yarn to create a reinforced yet soft and flexible band.
