## Tuesday Ladies' League - March 27 to October 9

### Spring, Summer and Fall Golf

The **Tuesday Ladies' League** begins in the Spring with a warm up game on March 27 followed by regular play every Tuesday until October 9. During July and August we play nine weeks of 'McSprings' games within the ladies league ending with a luncheon and awards on August 28. Regular play continues in September and ends with an awards luncheon on October 2. The final round of play scheduled for October 9 is just for fun.

Details of each game format are posted in the Ladies' Locker room on the bulletin board and on the Ladies' League website at: [www.members.shaw.ca/ksgolf](http://www.members.shaw.ca/ksgolf)

Weekly sign up sheets are posted in the locker room. Ladies may request an early (E), mid (M), or late (L) tee time if they have other commitments. Each week, the organizing committee will schedule the golf pairings and tee times.

### New Member Mentor Program

For ladies who are new members of Kelowna Springs, we have a mentor program. New members can choose to play their first few rounds with a mentor to ensure they are well informed on game formats, scoring, social events, etc; and to be welcomed into the league. Please contact the Ladies' League Captain (Judy Imada) or Vice-Captain (Christine Daniels) for more information.

### Entry Fees

The fee for Tuesday Ladies' league is \$25. This fee is used towards weekly prizes and awards. For those wishing to participate only in McSprings, the cost is \$12.

### Handicaps and Flights

We use the BCGA handicap system in the Ladies' League and a four flight format. Each Tuesday following play, enter your name and score in the correct flight book and deposit your signed and attested scorecard in the box provided. You must also enter your score into the BCGA system. For your convenience, a computer is located in the pro-shop for members to use.

### Prizes and Awards

Each week, the winning players in each flight receive small cash prizes or gift certificates that may be used in the pro-shop or restaurant. Our emphasis is on fun with a little competitiveness to keep players engaged.

At the Ladies' luncheon events, pins are awarded to recognize hole-in-ones, eagles and for the first time breaking 100, 90 or 80 milestones.

### Deuce Pots and Chip-Ins

Every Tuesday a Deuce pot and a Chip-in pot are placed on the counter in the pro-shop along with a sign-up sheet. Participation is optional and costs \$1 for each pot. Prize money is paid out the following week.

When you score a deuce or a chip-in, complete a chit and have it signed by another player and put the chit in the slot provided in the locker room. Blank chits are in the locker room by the bulletin board.

### Birdies

When a birdie is scored, write your name, hole # and date on the "Birdie Tree" located on the bulletin board in the ladies' locker room. At the Year End Wind-up luncheon, players with the highest number of birdies receive prizes.

### Eclectic Board

The Eclectic Board tracks each player's best score hole by hole. Players can enter scores after each Tuesday game to track personal improvement. Competition runs from April to September. Please see the bulletin board for more information.
