Men's Night for 2010

Kelowna Springs Men's Nights begin at 12:00 noon every Thursday starting April 1, 2010. The windup event will be on Saturday September 18, 2010.

Men's Night Handicap - We will continue using a Men's Night Handicap for 2010. A minimum of 3 Men's Night rounds played after June 30, 2009 will be used for a starting handicap in 2010. Those who have played less than 3 rounds after June 30, 09 will move into the Callaway Flight until they play the required 3 rounds to establish a Men's Night Handicap.

Flights - there will be 5 flights for 2010 Men's Nights:
0 - 6.0 6.1 - 8.9 9.0 - 11.5 11.6+ Callaway

Entry Fee - \$10 for prizes -

- \$5.00 paid out in Gift Certificates
- \$2.50 paid out in Deuce Pots
- \$1.50 paid out in KP and Long Putts
- \$1.00 paid out in Men's Night Windup

Prizes - Net and Gross prizes will be awarded in all flights except the first flight (with the heavier weighting to net prizes depending on the number of entrants in each flight). We will continue the bonus of an additional cash prize for the best gross score each week (one prize only - can be a player from any flight).

Deuce Pots - deuces (or hole-in-ones) on any hole will share in deuce pot winnings within each flight. If there are carry overs within any flight, prospective winners only get the money from that Men's Night unless they played the prior week.

Sponsorships - We have an excellent package to offer - for \$375 a Sponsor gets name & logo mentions on the Men's Night scorecards and receives one tee time (up to 4 players & 2 power carts, value up to \$340 + taxes) for use on the specific Thursday, or any other day after 11 a.m. If you know of any prospective sponsors, or are interested yourself, please contact any of the Men's Night Committee (contact info on back of brochure). We will be using the sponsorship money to add to the prize table each Thursday.

Optional Games - will be determined on a week to week basis.

50/50 Draw - we will be doing a 50/50 draw every Thursday, with the winner being announced at the end of the evening. The 'keeper' cash from the 50/50 draw will go towards Men's Club events like (Match Play, Ringer Board, Men's Two Man Best Ball Tournament, Interclubs & the Men's Night Windup).

Men's Night MAJORS

We will be hosting four Men's Night 'Majors' during 2010 - all will be during regular Thursday play. All of these Majors, with the exception of the first one, will be held during the time of the actual PGA Majors. Entry fee for these four majors will be \$15 instead of the regular \$10.

Prizing on these four nights will be substantially better than regular Men's Nights as there will be two sponsors, an additional \$250 from Men's Club and the cash from the higher entry fees. The 2009 Majors prize tables averaged from \$2,500 - \$3,000 per event.

Match Play for 2010 - entry fee \$20

Seeding tournament to be played on Saturday, April 24, 2010 including a soup and sandwich lunch.

From the seeding event, participants will be divided into flights of 5 to 7 players each. Within each flight, you will play every other person in your flight. Scoring will be 1 point for front 9, 1 point for the back 9 and one for the overall winner. This is a potential of 3 points per match. Whomever has the highest number of points by June 30th will be the winner of the flight. If someone does not complete their required number of games, they will be disqualified and the points gained by the rest of the flight against the disqualified player(s) will not be counted. Disqualification will be determined by the organizing committee.

The winners of the flights will then compete in a second round with the same rules which must be completed by August 26th in time to crown the Match play champion at the club championship.

Two Man Best Ball 'net' Tournament

We will host a two man best ball 'net score' tournament on June 19th. Choose your own partner and join us in this fun competition. Entry fee will be +/- \$40 per team (event only open to Club Members) and this includes a steak dinner. Take a look at www.internationalpairs.ca

Would you support this event if we joined the international competition? Let your committee know!

Ringer Board for 2010 - entry fee \$20

The Ringer Board challenges each participant for their best net score during the Thursday Men's Nights. There will be two competitions - one that covers April 1 to June 30 and one that covers July 1 - September 16. \$10.00 of your entry fee will be applied towards each Ringer Board competition.

The rules:

- Players can put in as many scores as they wish each night. Best score on a hole can be improved in future weeks. Under this format all players are in the game and scores can be improved throughout the season.

-Players must turn in a legible score card that night with their name, current handicap and membership number clearly printed on the card. Not legible not entered - no exception.

-It is the member's responsibility for turning in his card to one of the ringer board representatives and highlighting the holes they want entered that night..

-Results will be updated weekly and posted in the Men's locker room as well as emailed to participants.
