Local Rules

RCGA rules will govern all play except as modified below

- 1. **Obstructions**: Staked trees & flower beds are considered immovable obstructions. Free relief <u>must</u> be taken from staked trees and flower beds.
- 2. **Out of Bounds**: Defined by inside edge of boundary fences and/or white stakes.
- 3. **Lateral Water Hazards**: All water hazards are considered lateral water hazards. The margins of the hazards begin at the outer edge of the rock or concrete walls surrounding the hazard.
- 4. **Naturalized Areas**: These areas are defined by small wood fences in and around the property. These areas are to be played as lateral hazards.
- 5. **Compost Area**: The compost area between holes #15 and #17 is considered a lateral hazard. Red stakes surrounding the area define the margin of the hazard.

Value Cards

Now & Again Golfer (saves up to 28%) - \$400

(draw value down at \$53am, \$45 after 1pm at Kelowna Springs)

Frequent Golfer (saves up to 32%) - \$800
